**Commissioner of Patents and Trademarks** 

## **Advisory Action**

Application No. 08/915,683 Applicant(s)

Mark F. Huff

Group Art Unit

Fujita et al.

1752

THE PERIOD FOR RESPONSE: [check only a) or b)]
a) Sexpires months from the mailing date of the final rejection.
<ul> <li>b) expires either three months from the mailing date of the final rejection, or on the mailing date of this Advisory Action, whichever is later. In no event, however, will the statutory period for the response expire later than six months from the date of the final rejection.</li> </ul>
Any extension of time must be obtained by filing a petition under 37 CFR 1.136(a), the proposed response and the appropriate fee. The date on which the response, the petition, and the fee have been filed is the date of the response and also the date for the purposes of determining the period of extension and the corresponding amount of the fee. Any extension fee pursuant to 37 CFR 1.17 will be calculated from the date of the originally set shortened statutory period for response or as set forth in b) above.
Appellant's Brief is due two months from the date of the Notice of Appeal filed on
Applicant's response to the final rejection, filed on <u>Aug 5, 1998</u> has been considered with the following effect, but-is-NOT deemed-to-place-the-application-in-condition-for-allowance:
☐ The proposed amendment(s):
will be entered upon filing of a Notice of Appeal and an Appeal Brief.
will not be entered because:
they raise new issues that would require further consideration and/or search. (See note below).
they raise the issue of new matter. (See note below).
they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal.
they present additional claims without cancelling a corresponding number of finally rejected claims.
NOTE:
Applicant's response has overcome the following rejection(s):
Newly proposed or amended claims would be allowable if submitted in a separate, timely filed amendment cancelling the non-allowable claims.
Newly proposed or amended claims would be allowable if submitted in a separate, timely filed amendment cancelling the non-allowable claims.  It is affidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition
separate, timely filed amendment cancelling the non-allowable claims.  The affidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition for allowance because:
separate, timely filed amendment cancelling the non-allowable claims.  The affidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition for allowance because:  The secondary references teach the use of the claimed compounds in tabular grains and the primary reference even
separate, timely filed amendment cancelling the non-allowable claims.  The affidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition for allowance because:  The secondary references teach the use of the claimed compounds in tabular grains and the primary reference even teaches the preferential use of silver bromide cores (see Evans 16:25-27).
separate, timely filed amendment cancelling the non-allowable claims.  The affidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition for allowance because:  The secondary references teach the use of the claimed compounds in tabular grains and the primary reference even teaches the preferrential use of silver bromide cores (see Evans 16:25-27).  The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.
